The indoor & outdoor spaces create good flow for mingling with guests and the dance floor and in-built stage are ideal for a band. Alternatively, we can arrange our resident DJ or simply play your playlist through the music system.

The professional staff will ensure everything is mixed, stirred and delivered, providing you and your guests with a memorable celebration.

Delicious substantial canapés are sure to be a hit with your guests together with the range of beverages available from local wines, a range of tap and bottled beers and delicious cocktails. As a guide it is

And to finish off a magical day, retire to one of our 5-star Manor Suites for the ultimate in luxury accommodation on your wedding night, complimentary when you hold your reception at Country Club Tasmania.
